deep trance identification dti has captivated the imagination of hypnotists since the mid 20th century dti has been used by

countless modelers to master hypnosis skills musical and acting abilities emotional transformation and so much more historically very little is written about dti despite it being at the heart of all unconscious learning and transformation for the first time dti is presented here in a practical and easily understandable way shawn carson jess marion and john overdurf have dedicated years to studying and using dti and in this book they share their discoveries they present the art and neuroscience of this hypnotic phenomenon and explain how you can use this modality to change your life and the lives of your clients deep trance identification presents an elegant model for using dti and outlines comprehensive techniques that make the dti experience deeply transformative

the deep trance identification companion is designed to help you streamline your dti modeling project the companion consists of detailed worksheets and step by step processes to assist you in modeling excellence this book represents the core principles of the dti process as laid out by carson marion and overdurf in deep trance identification it is recommended that you begin with that book before using the manual

the spiritual malaise regnant in today's disenchanted world presents a picture of a polar night of icy darkness as max weber wrote already a century ago this collective dark night of the soul is driven by climate change related disasters rapid technological innovations and opaque geostrategic realignments in the wake of what policy analysts refer to as westlessness the post modern age is characterized by incessant distractions urgent calls to responsibility and in humanly short deadlines which result in a general state of exhaustion and burnout the hovering sense of living in a time frame that is post histoire induces states of confusion on a personal level as well as in the realm of politics totally missing is a grand narrative to guide humanity's vision in the midst of a world crisis thinkers scholars and jungian analysts are increasingly looking to c g jung's monumental oeuvre the red book as a source for guidance to re-enchant the world and to find a new and deeper understanding of the homo religiosus the essays in this series on jung's red book for our time searching for soul under postmodern conditions circle around this objective and offer countless points of entry into this inspiring work

was haben coaching und bühnenzauberei gemeinsam kann man das eine mit dem anderen verbinden genau das tut klaus peter pfeiffer in diesem buch beschreibt er wie durch das denken eines zauberers probleme zu

ressourcen werden können und wie denkt ein zauberer wenn er ein zauberkunststück vorführt er muss glauben dass er beispielsweise wirklich einen tisch zum schweben bringen kann gleichzeitig muss ihm klar sein dass es eigentlich nicht geht und dennoch kann ein zauberer das und wenn er an seine zauberei glaubt überträgt sich das auf die zuschauer dann ist es mehr als ein trick ein zauberer muss sein handwerk beherrschen muss wissen wann er welchen trick einsetzt und genau beobachten ob das was er tut auch funktioniert folgt ihm das publikum ist es im geschehen involviert oder distanziert konstant ist der traum präsent zu halten dass hier etwas geschieht was eigentlich unmöglich ist die kunst des zauberns besteht darin dass die zuschauer die magie in sich selbst entdecken und damit zustände von staunen Überraschung verwandlung erlebbar werden dieses buch gewährt ihnen einen einblick in das denken eines zauberers mehr noch in zahlreichen praktischen Übungen und fallbeispielen lernen sie die perspektive des zauberers auf die bereiche coaching und training zu übertragen klaus peter pfeiffer lehrt sie durch die kunst der verzauberung ein stück heilsamer verwandelnder magie einzu bringen sei es bei einzelnen teams oder in unternehmen und nebenher liest dieses buch noch ihre gedanken vielleicht

À medida que avança neste livro você verá referências tanto à hipnose quanto às sessões de coaching no meu mapa do mundo eles são os mesmos se você está fazendo uma reimpressão está fazendo hipnose porque por sua própria natureza esse padrão provoca transe e fenômenos hipnóticos com isso dito você pode estar vindo de uma perspectiva estritamente de coaching sem nenhum treinamento anterior em hipnose e certamente pode ter certeza de que será capaz de usar esse padrão com facilidade se você vem de um histórico formal de hipnose achará fascinante a natureza conversacional dessa técnica e certamente pode ser adaptado a uma abordagem mais tradicional da hipnoterapia

training trances is about how to therapeutically communicate with the unconscious mind the authors present their own unique integration of ericksonian techniques traditional models of hypnotherapy and recent research in related areas numerous new patterns modeled from the work of milton h erickson m d are clearly explained and demonstrated the use of trance in training design to unconsciously install the skills being taught to the participants is also covered the book developed from transcripts of a four day workshop and the design of the book parallels the design chosen for the training itself individual exercises or those done in groups of two or three are offered so

that the reader may practice the techniques and learn the skills there are numerous live demonstrations inductions and double inductions which create for the reader a real feel of how hypnosis is done and which are also a rich source for linguistic analysis for the advanced reader written with insight and humor this book s most unique twist is its use of multi level communication and hypnotic language to create a training trance for the readers as they journey through the text some hypnotic references are obvious and explicit those which are not obvious will create enjoyable ah ha experiences for the reader as they are discovered

the deep trance training manual volume i is the book for everyone exploring deep trance phenomena building upon the reader s existing practical ability and basic knowledge this systematic training approach holds the keys to inducing deep trance states quickly and easily this work presents practical exercises designed to improve technique and core theoretical principles from all the major hypnotic perspectives supporting the development of elegant individual style and language and mastery of powerful approaches for dealing with others chapters include principles in formulating suggestions the language of deep trance the milton model made easy rapport and personal power calibration deepening techniques rapid inductions including three different handshake inductions trance termination language patterns including a vital section on creating a natural flow of language

psychotherapist noel eastwood takes you on an inner journey of self discovery and healing he draws upon numerous case studies to demonstrate how ordinary people can overcome limiting beliefs and traumatic experiences using self hypnosis the author illustrates how to use exercises from nlp inner child gestalt therapy arnold mindell s process therapy jungian psychotherapy and traditional taoist meditation techniques journey into your deep unconscious using simple self hypnosis techniques to uncover the dragons feeding on your sadness loneliness anxiety anger and fear learn how to tame your dragons and release yourself from limiting beliefs embedded in this book are a multitude of simple tools and techniques of self hypnosis that can change your life develop undiscovered talents and allow you to live fearlessly the author s message is that we are empowered by choice and never limited by fate the book is loaded with a wealth of true stories from elite athletes age regression past lives children s problems imagery and remote viewing working with archetypes stress reduction and many spiritual and psychic growth exercises combining 30 years of experience with self hypnosis psychodynamic

psychotherapy guided imagery and meditation this book is fast becoming a classic in the field of mind control and spiritual growth it includes chapters for elite sports martial arts guided imagery for your child s nightmares anxiety and weight loss scripts how to heal your inner child of trauma astral travel and how to develop your kundalini to name just a few reviews an incredible book utterly riveting absolutely magical sp i really liked this book and thought it was a good read if you are someone that meditates i m sure you will also find it interesting it s not that long and not very expensive so for me it s like why not i m a big fan of self hypnosis as i used it to achieve a beautiful birth several years ago since then i have been kind of doing my own thing meditating but this book really helped me expand my mental exercises it essentially gives a ton of different ways to explore your own psyche i find it to be a very helpful guide to self hypnosis the chapter on scary dreams tremendously helped me navigate this problem with my 5 year old daughter now each night before bed she gets so excited to go to her personal fanstasyland where we often deal with the things that are troubling her in a safe and self empowered way for this reason alone it was worth it to me also i m a lifelong student of astrology and i loved his combination of these two worlds astrological archetypes and deep meditation good stuff at this a fun book to read noel s writing style is informative and flows nicely i have the kindle version buy it you ll like it mk digs deep into the issues of life be it struggles or challenges noel not only explains the roots of inner dragons but also describes how to identify them living with dragons is an insightful and practical look at the negative thoughts and emotions that can impede our lives on a daily basis this book will not only help you shed light on things you may have tried to hide but it will also guide you towards practical steps to slay your dragons no matter what negativity fills your inner world living with dragons will help you move towards it face it head on and squash it c this work is a vital and necessary tool for anyone wishing to understand and confront their inner demons or dragons as noel so aptly names them his prodigious experience as a clinical psychologist is clearly apparent here yet it is not couched in confusing medical terminology but instead with mythologies we all know and instructions on how to that are so very easy to read and to understand in fact he makes it hard not to want to attempt this journey inward and to meet those inner dragons that we all have somewhere within herein he gives invaluable directions on ways in which to make this inward journey via trance and self hypnosis methods both safely and productively the examples he gives are not only fascinating but intensely engaging in every way this work is inspiring exciting and riveting and i strongly

recommend it s
